

October 2024

Dear Parent/Guardian,

As part of the Sixth Form Geography course, we have been undertaking a study of Coastal Landscapes as part of the physical Geography requirement of the AQA specification. With this in mind, I am pleased to be able to offer your child the opportunity to visit local coastal landscapes; Barton-on-Sea and Bournemouth. The trip will help students to understand how coastal processes can impact on the landscape, studying local places and practice data collection skills in preparation for their A-Level Geography coursework. The trip will allow students to collect and share individual data about the impact of the coastal changes on the character and landscape of the locations using GIS.

The visit will take place on **Wednesday 6<sup>th</sup> November 2024. We aim to leave school at 9.00am traveling by minibuss and return by 3pm in time for school transport.** Students will need to meet at the front of school by reception. Students need to ensure they are wearing suitable clothing for the day (warm clothing, including a raincoat) and they will need to bring plenty of food and drink.

**The cost of this visit is £8.00.** This covers the cost of transport to and from the locations and insurances. Payment should be made using the school's on-line WisePay facility. Please make a note of your WisePay receipt reference, as you will need to provide this on the attached slip/ consent form. Receipts are generated automatically on WisePay and sent to the email address you supply when making the payment.

This will be a valuable experience, which I hope your child will find of great benefit.

If you would like your child to take part, please complete the attached reply slip and medical form and return them to your child's Geography teacher no later than **Friday 25<sup>th</sup> October 2024.**

Yours faithfully,

Mr Houghton  
Head of Geography
