

October 2023

Dear Music Scholarship Students and Parents,

Further to my email to all students at the start of term I can now confirm the details of the Music Scholarship and A Level Music Recital. All Scholarship students will prepare a solo piece to perform in a chamber concert alongside A level Music students who are preparing their final performance assessment. We also hope to have a debut performance by our newest ensemble - Chamber Strings - who have been busily rehearsing since the start of term.

The concert will take place in the Performance Hall on **Thursday 23rd November** from 5.30pm. Refreshments will be available on arrival. This is not a ticketed event but there will be an opportunity to make a contribution towards Music education in Highcliffe School.

I would like to thank all students for the commitment you have shown so far this academic year in your instrumental studies, for making the most of the many ensemble opportunities, and for engaging with the Music Enrichment programme. If you have not already, please work with your instrumental teacher to decide which piece(s) you would like/would be appropriate for you to perform.

Kind regards,

Mr Bannister
Head of Music

PLEASE RETURN TO MR BANNISTER

Student name Tutor

I am *able / unable to attend the Scholarship and A Level Recital on Thursday 23rd November from 5.30pm in the Performance Hall (*Please delete as applicable)

I would like to reserve seats for this event
