COVID SCENARIO FACTSHEET

What to do if.....	Action Needed	Return to school when.....
.....my child has specific COVID-19 symptoms (a high temperature 37.8 or above, a persistent/continuous dry cough, loss of taste and smell, extreme fatigue, severe vomiting/diarrhoea)	<ul style="list-style-type: none"> - Do not come to school - Contact school to inform us - Self-isolate the whole household - https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms/ gives details of COVID-19 symptoms - Get a test for your child or anyone who is symptomatic in the household - Inform the school immediately about the test result the test comes back negative or a period of 10 days has passed since the symptoms started, and the child feels well.
.....my child tests positive	<ul style="list-style-type: none"> - Do not come to school - Contact school to inform us - Agree an earliest date for possible return (minimum of 10 days) - Self-isolate the whole household (<i>household members only need to get tested if they are also Covid-19 symptomatic</i>) 10 days have passed since symptoms began, even if they still have a cough or loss of taste/smell. (these symptoms can last for several weeks) AND the child feels well again
.....my child tests negative	<ul style="list-style-type: none"> - Contact school to inform us - Discuss when your child can come back (same day/next day) the test comes back negative
... my child has mild symptoms of a sore throat, sniffles, a slight cough, but NOT specific Covid symptoms, <i>and normally I'd send them to school</i>	<ul style="list-style-type: none"> - Reinforce the importance of using their face mask and regularly sanitising their hands and let them come to school - Check their symptoms every evening/morning, especially their temperature, so any sign of change 	...child can continue to attend school
.... my child is ill with symptoms not linked to specific COVID-19 symptoms, <i>but poorly enough that ordinarily I would not send them to school</i>	<ul style="list-style-type: none"> - Do not come to school - Contact school to inform us - Ring on each day of illness after 48 hours following the last bout of sicknesswhen child feels well
... someone in my household has specific COVID-19 symptoms	<ul style="list-style-type: none"> - Do not come to school - Contact school to inform us - Self-isolate the whole household - Household member to get a test - Child does not need a test unless symptomatic - Inform school immediately of test result 	...the test comes back negative
